Real Moms' Reviews of Everything for Mom, Baby & Child

Wow! Wow! Wubbzy! is a hit show on Nick Jr, featuring an adorable little guy named Wubbzy who hangs around with a fun group of little friends! Coming to DVD for the first time ever, Wubbzy and his friend have fun and teach preschoolers valuable lessons about teamwork and honesty! The DVD contains six episodes and two bonus episodes.

My children hadn't seen Wubbzy before we received the review DVD, but were immediately captivated by him and his adventures! Whether or not your child is a fan of Wubbzy, this is a great DVD for your collection.
