***Knuffle Bunny Too: A Case of Mistaken Identity*** (Hyperion, \$17).

Although keen-eyed observers may notice the subtle differences between Trixie's and Sonja's nearly identical stuffed toys, the two girls don't—at first. In an effort to quell their rivalry, a teacher confiscates the bunnies and later returns them to the wrong owners, setting in motion the comic sequel to Mo Willems's 2004 best-seller.
