Baby Bear, Baby Bear, What Do You See? is the latest addition to the acclaimed Brown Bear book series. Writer Bill Martin and illustrator Eric Carle have collaborated for 40 years to produce colorful children's texts that are fun as well as instructional. In addition to the new title, Henry Holt has produced a 40th anniversary edition of *Brown Bear, Brown Bear, What Do You See?* that is larger than the original and comes with an audio CD. The company has produced a board-book box set of the first three books in the collection as well. Activity kits and classroom guides for teachers are also available.
