The latest retro hit that is sure to please both moms and kids alike? *The Mr. Men Show* on Cartoon Network—inspired by those little square Mr. Men and Little Miss books that were popular in the '70s and '80s. Each episode features several of some 25 distinct characters—such as Mr. Happy, Little Miss Sunshine, and Mr. Grumpy—and shows how their particular personalities come into conflict with others in the wacky town of Dillydale. *The Mr. Men Show* will air daily at 9 a.m. ET.
